**1. BOURBON & BARDSTOWN TOUR** **9:00AM – 3:30PM** **\$56 PER PERSON**

Bourbon is the king of corn-based whiskeys! It was named for Kentucky's Bourbon County, and in 1795, became one of the state's first industries. Kentucky produces more than 90 percent of the entire country's bourbon. The way bourbon is made has not changed much in the past 200 years, and its history is as rich as a sip of that pure Kentucky nectar. This tour will give you a chance to live that colorful past and visit a distillery that makes some of the best bourbons in the world. Our first stop will be **HEAVEN HILL DISTILLERY BOURBON HERITAGE CENTER**. Made out of the same materials used in bourbon making, and spanning 9,678 square feet near the distillery, this Center is every bourbon lover's paradise. Heaven Hill offers visitors interactive exhibits on the birth of bourbon, the role of whiskey throughout history and the process by which many of the distillery's well-known brands are prepared. The "Taste of Heaven Hill" barrel-shaped tasting room allows visitors a chance to sample some of the distillery's finest creations. A state-of-the-art theater system shares with guests Heaven Hill's deep history throughout the film "A portrait of Heaven Hill". Included in this tour is a nice lunch at **KURTZ RESTAURANT**, one of Bardstown's quaint restaurants, known for their hospitality and good southern recipes.

Next, we'll visit Kentucky's best-known plantation, **MY OLD KENTUCKY HOME AT FEDERAL HILL**. Immortalized in song by Stephen Foster, My Old Kentucky Home portrays an image of the South's gentle and leisurely home life before the Civil War. Foster actually penned the song after visiting here in 1852. Guides in period costumes escort guests through Federal Hill, a stately Georgian Colonial mansion replicating the antebellum world.

**2. GLASS & BOATS TOUR** **9:00AM – 2:30PM** **\$57 PER PERSON**

Your tour begins with a drive along historic West main Street, where cast-iron, stone, and terra cotta facades add visual excitement to the collection of 19<sup>th</sup> century warehouses, second only to New York City's SoHo district. At our next stop, you will share in the mystery and beauty of glass at **GLASSWORKS**, a brand new attraction that you will truly enjoy. We will see the hot glass studios, flameworking studios and the cold glass working studios of Architectural Glass Art. We will also visit the Toben-Hewett Gallery, representing national and international glass artists; and the Glassworks Gallery.

You will get the best of both worlds during a relaxing lunch cruise aboard the **SPIRIT OF JEFFERSON**, the sister ship of the BELLE OF LOUISVILLE. The Spirit of Jefferson combines the charm of old-fashioned steamboats with attractive modern updates. Her maneuverability allows her to travel to a variety of locations along different stretches of the grand Ohio River. Enjoy a buffet lunch aboard the Spirit of Jefferson.
