### *Youth Turning Room*

All youths 10 through 17 years attending the symposium with an adult will receive a free registration and attend special youth classes headed up by Bonnie Klein and Nick Cook. There will be 25 lathe stations, each assisted by an adult.

This is the third year for the Youth Turning Room. This is a real opportunity to involve our young people in the exciting field of woodturning.

The 25 lathe stations have been donated by the companies listed below, and the 25 winners of the turning stations will be announced during the Saturday evening banquet.

A very special THANK YOU to the companies that donated equipment:

- WMH Tool Group – 25 JET midi-lathes with stands
- Crown Tools – 25 turning tool sets
- Teknatool International – 25 Nova Precision midi 4-jaw chucks and cup drive centers
- Woodcraft – 25 face shields
- Dust Bee Gone – 25 safety goggles
- Glaserhitec and CryoSteel Engineering – 50 turning tool sets
