

Our 2008 Trade Show vendors are providing lathes for use in our demonstrations, learn to turn, and our Youth tuning program. These lathes are available for purchase at the symposium.

The AAW does not endorse any product or imply any savings.

However as a service to our members we are providing manufacture contact information for our members who may wish to investigate the purchase of one of these lathes prior to the symposium.

#### LATHE CONTACTS

<b>Manufacture</b>	<b>Contact</b>	<b>e-mail</b>	<b>phone</b>	<b>Website</b>
Delta	Clay Johnson	clay@choice-woods.com
