

AAW 2010 Symposium

Local Charity Support Information

- The Connecticut AAW local chapters, who will be hosting the 2010 Symposium, have selected the Connecticut Children's Medical Center Foundation as recipient of Return to the Community gifts this year. Connecticut Children's Medical Center is the only free-standing, not-for-profit hospital solely devoted to providing cutting-edge care, using state-of-the-art equipment to treat children in Connecticut and Western New England. [Click on this link](#) for more information on Connecticut Children's Medical Center Foundation.
- For those unable to attend the Symposium, mail your donated items to:

AAW Symposium Return to the Community
Jerry Sambrook
104 S. Loomis St.
Southwick, MA 01077-9441

Your donation of a family oriented item, turned or otherwise, will be gratefully appreciated. Donated items may be sold during the symposium and money donated to the Connecticut Children's Medical Center Foundation. While new legislation effectively prohibits the **sale** of donated toys only, other items such as utilitarian bowls, ornaments, pens/pencils and small gift items are encouraged. Some toys, including finger tops, pull string tops, toy cars and trucks, baby rattles and the like are still welcome and will be used (not sold) by Connecticut Children's Medical Center Foundation and may be shared with other charities.

- The Connecticut chapters wish to thank all AAW members in advance for the items that will be donated to Connecticut Children's Medical Center Foundation.
